AT THE MAPPIN & WEBB 240TH ANNIVERSARY EVENT
CELEBRATING SILVER: A GOLDSMITHS' FAIR PREVIEW

This year Mappin & Webb celebrates its 240th Anniversary. To mark this significant milestone the brand is hosting an exclusive preview of contemporary silver from the prestigious Goldsmiths' Fair.

The 23 silversmiths featured represent the newest and finest works in contemporary British silver, in a fitting event designed to celebrate Mappin & Webb's silver history and royal warrants.

In 1775, Mr Jonathan Mappin opened a silver workshop with the mission to create the most beautifully crafted silverware for English high society. Throughout the years, Mappin & Webb has become synonymous with excellence, craftsmanship and all things truly English.

The brand holds two royal warrants as Silversmiths to both Her Majesty the Queen and His Royal Highness The Prince of Wales.

As part of our 240th Anniversary celebrations, we are hosting this exclusive preview of contemporary silver from the prestigious Goldsmiths' Fair, bringing together 23 upcoming and established silversmiths in a celebration of innovation, craftsmanship and design.

This exhibition is organised with the support of
Contemporary British Silversmiths and the Goldsmiths' Company.

Monday to Saturday 10.00 – 20.00
Sunday 12.00 – 18.00

Exhibition runs from 29th June – 25th July
